Re: Recommendation Letter

Dear Doreen:

It is my pleasure to recommend and encourage other law firms to engage your firm in providing court reporting services to our legal community. As the Chairman of the Pennsylvania Association of Justice's Business Partners Program, I am grateful for your firm's support and participation in our business partner's program and as a proud bronze member.

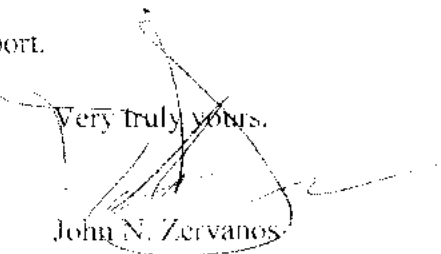

As a business partner, I encourage our trial lawyer community as well as others to utilize your services. Speaking from personal experience, I have had an opportunity to work with a number of court reporting agencies and I find your agency prompt, courteous, efficient and with a wealth of resources, capable of handling the most complicated cases.

I believe our law firm and any other firm engaged in complex litigation require a court reporting agency that is efficient and who will provide the highest level of service regardless of the case. Your firm has come through for us time and time again, sometimes at moments notice.

I look forward to using your firm's court reporting services for many years.

Thank you again for your continued support.

Very truly yours,

John N. Zervanos
