

Back in 1982, when I took the reigns of Kaplan Leaman & Wolfe as its owner, I wanted to create a diverse court reporting company with exceptional service. Many other companies do what we do, but no one does it as professionally as Kaplan Leaman & Wolfe. That is something that I am proud to say. Our staff is committed to offering a level of expertise and customer service that is incomparable in our industry. Quality starts at the top. As a federal court reporter for over 35 years, my attention to detail and quality permeates throughout our organization and every action conducted in support of KLW clientele. Our costs are value based and there are never any hidden fees. Try Kaplan Leaman & Wolfe, where exceeding your expectations is our specialty.
